Project List

The screenshot shows a web-based project management application. On the left, there's a sidebar with the 'GXON' logo, a navigation menu with 'Dashboard' and 'ADMIN' sections, and a 'Project' section which is currently selected, indicated by a blue background and a '96' badge. Below the 'Project' section is a 'LOGOUT' button. The main content area has a header with '+ Tambah Data' (Add Data) and a title 'Project'. It includes filters for 'entries per page' (set to 10) and a 'Search' bar. A table lists four projects: Alpha, Beta, Gamma, and Delta. Each row contains columns for Name, Start Date, End Date, Status, Total Task, and Action (with edit and delete icons). The projects have the following details:

Name	Start Date	End Date	Status	Total Task	Action
Alpha	2025-01-10	2025-04-10	On Progress	2	
Beta	2025-02-01	2025-05-15	Planning	2	
Gamma	2025-01-15	2025-03-30	Done	2	
Delta	2025-03-01	2025-06-20	On Progress	2	

Anda dapat melihat project list mulai dari project, mulai hingga akhir project dan status (planning, on progress, done).
